## **Castle Waiting Vol. 2** Linda Medley

With its long-awaited second volume, Linda Medley's witty and sublimely drawn fantasy eases into a relaxed comedy of manners as Lady Jain settles into her new life in Castle Waiting. Unexpected visitors result in the discovery and exploration of a secret passageway, not to mention an epic bowling tournament. A quest for ladies' underpants, the identity of her baby son Pindar's father, the education of Simon, Rackham and Chess arguing about the "manly arts," and an escape-prone goat are just a few of the elements in this delightful new volume. Characters, including Jain's earliest romantic entanglements and conflicts with her bratty older sisters, the horrific past of the enigmatic Dr. Fell, and more. Originally released in a slightly shorter version when the series ceased publication, this new edition includes over 60 pages' worth of brand new additional story and epilogue, and the entire book has been re-lettered in a livelier, more inviting style for an even more engaging reading experience.
