Making decisions regarding whole-grade acceleration can be challenging. The Iowa Acceleration Scale, developed and tested by the Belin-Blank Center at the University of Iowa, provides a systematic and thorough approach to considering and implementing academic acceleration for gifted and talented students in grades K-8. The Manual provides specific guidelines for filling out the Form, along with case examples and supportive research. The Form includes a Summary and Planning Sheet which can be copied and distributed to each member of the child-study team.
