Unforgiven

Charles Walters

Unforgiven Charles Walters

Revised and updated second edition. Charles Walters recognized the national and international implications of applied raw material economics as revealed in the analyses of the U.S. economy by Carl H. Wilken, Charles B. Ray, John Lee Coulter and J. Carson Adkerson. They demonstrated how all new wealth enters an economy as raw materials provided by Nature. By fairly monetizing these raw materials, an economy is diverse, balanced, and free of debt.

Unforgiven is derived from Walters' research and in-depth interviews with Wilken, conducted shortly before Wilken's death in 1968. The crisis that this book addresses has become even more pronounced in the years since it first appeared — an increasing wealth gap, a crumbling internal economy, human and economic harm inflicted upon our trading partners, millions of family farmers driven from their land, and small, privately owned businesses becoming extinct, ultimately leaving millions of Americans either directly or indirectly dependent on government handouts for existence. Wilken feared the concentration of power "in a few strong hands" as the deadliest enemy of a free society and saw the demise of independent enterprise and the family farm as the final curtain for the most dramatic social experiment in history: the American Dream.

Walters presents not only the causes and effects of our continuing rural and urban decay, but also a way to stop it — the construction of an economy operating in tune with the laws of physics.

From reader reviews:

Jordan Weatherspoon:

Information is provisions for folks to get better life, information today can get by anyone at everywhere. The information can be a information or any news even restricted. What people must be consider whenever those information which is within the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you find the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen in you if you take Unforgiven as the daily resource information.

Lou Bryant:

Reading a book can be one of a lot of pastime that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new data. When you read a e-book you will get new information simply because book is one of a number of ways to share the information or even their idea. Second, studying a book will make an individual more imaginative. When you reading through a book especially fictional book the author will bring you to definitely imagine the story how the figures do it anything. Third, you may share your knowledge to other people. When you read this Unforgiven, you could tells your family, friends along with soon about yours e-book. Your knowledge can inspire the mediocre, make them reading a publication.

Gretchen Meehan:

This Unforgiven is new way for you who has interest to look for some information as it relief your hunger details. Getting deeper you onto it getting knowledge more you know or perhaps you who still having little bit of digest in reading this Unforgiven can be the light food to suit your needs because the information inside this kind of book is easy to get simply by anyone. These books produce itself in the form and that is reachable by anyone, yes I mean in the e-book application form. People who think that in reserve form make them feel drowsy even dizzy this publication is the answer. So there is absolutely no in reading a reserve especially this one. You can find what you are looking for. It should be here for you. So , don't miss that! Just read this e-book kind for your better life in addition to knowledge.

Kelly Jackson:

What is your hobby? Have you heard this question when you got pupils? We believe that that issue was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person similar to reading or as looking at become their hobby. You should know that reading is very important and book as to be the matter. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You see good news or update about something by book. Amount types of books that can you take to be your object. One of them is this Unforgiven.
