Window To Psoriasis(Hb 2016) Sharmila Patil

Window to Psoriasis is one of the most common debilitating diseases seen in private practice. The quality of life is affected depending on the extent of the disease and the occupation of the person. The morphological presentation also varies. Hence this book aims to assist the consultants in their busy practice to diagnose, investigate and treat the patient optimally using newer drugs. The authors of each chapter have been chosen on the basis of their expertise in the field to provide the best guidance to our readers.
