Bullet Riddled: The First S.W.A.T. Officer Inside Columbine... and Beyond Grant Whitus

More than just a retelling, Bullet-Riddled is an in-depth look at the day-to-day of S.W.A.T and focuses on the men and women who inherit so much pain to keep us safe. Nowhere is this more apparent than in the aftermath of the Columbine tragedy. The following days saw major changes within S.W.A.T. Men cracked, leaders folded and the entire country demanded changes. But these changes, like all reforms, met with stiff resistance from the old guard. Friendships turned into rivals and the infrastructure of S.W.A.T began to unravel. As resignations piled up, Grant rebuilt the entire team from hand-selected recruits. He finally had his elite team, one that would face new demons and disorders.
