15 Gorgeous Granny Square Crochet Patterns

Crochet is an art that has lasted through the ages, and with good reason. This is an art that has been handed down from person to person, and has been enjoyed for centuries. Why? The answer is simple:

We all like to have things that are handmade, and we all like to enjoy things that are one of a kind. When you crochet something, you know without a doubt that it is not only one of a kind, but it had to have been made by hand. There's no machine on the planet that is able to crochet, simply because this is an intricate field that you have to do by hand.

This fascination has kept crochet as one of the best and foremost hobbies, as well it should be.

One of the most popular things that can be made with crochet is the granny square. This is a generic term that covers a wide range of options, including basic, single kinds of stitch squares as well as granny squares that are as intricate and elaborate as any other design you can imagine.

This book is going to show you how to make your own granny squares, and how to turn those into bigger and cooler projects. Sure, you might think with a name like that it has to be simple or old fashioned, but I assure you that is not the case.

With this book, you are going to learn how to make your very own granny square projects and turn them into all kinds of things you can wear, use, and enjoy. I am going to show you just how you can turn this hobby into something useful, and how you can change the way you think of the simple square once and for all.

- Learn how to make a variety of granny squares for various projects
- Learn how to turn those squares into actual projects
- Have fun and design your own
- Mix and match for the best project creations
- And more!
