“All my life I’d always known what the Gentry boys were. A set of fraternal triplets born to a depraved family, they were rough, sexy and wild as wolves.” SAYLOR... I don’t even know if love is real. After running from the bastard who brutalized me, I limped back to Arizona, choosing a vibrant college town in the hopes of starting over. I never expected to find him there. Cord Gentry. He and his brothers were tough, lusty forces of nature I’d known since childhood. Years ago, Cord seduced me as a sick game. I’ve hated him ever since. Now here he is again, a man who beats other men bloody for money. Cord has always been heartless, dangerous, not to be trusted. And I want him so much I can’t think. CORD... They called us ‘those white trash Gentry boys’ until we believed that’s what we were. Our people squatted at the edge of a hellhole prison town for generations. The childhood we endured was the stuff of nightmares. I’d learned early on that my brothers, Chase and Creed, were the only people on earth worth my time. They all told us we were bad, that we’d always be bad. The horrors of the past have scarred my soul. But now I need to be better. For her.

Warning This book contains explicit language, sexual situations, and violence which may be upsetting to some. ‘Draw’ is the first of the Gentry Boys series, however this New Adult Romance can be read as a stand alone.
