James W. Loewen

Lies My Teacher Told Me: Everything Your American History Textbook Got Wrong James W. Loewen

Since its first publication in 1995, *Lies My Teacher Told Me* has gone on to win an American Book Award and the Oliver Cromwell Cox Award for Distinguished Anti-Racist Scholarship, and has sold over a million copies in its various editions.

What started out as a survey of the twelve leading American history textbooks has ended up being what the *San Francisco Chronicle* calls "an extremely convincing plea for truth in education." In *Lies My Teacher Told Me*, James W. Loewen brings history alive in all its complexity and ambiguity. Beginning with pre-Columbian history and ranging over characters and events as diverse as Reconstruction, Helen Keller, the first Thanksgiving, and the My Lai massacre, Loewen offers an eye-opening critique of existing textbooks, and a wonderful retelling of American history as it should—and could—be taught to American students.

This new edition also features a handsome new cover and a new introduction by the author.
