The Torch of the Testimony John W. Kennedy

The 2,000 year history of those Christians - and churches - that have stood outside the Protestant-Catholic tradition. This book was originally published in India in 1964 and is little known in the western world. Beginning in the first century John Kennedy traces the history of Christian groups who remained outside formalized religion down through the ages. A stirring, passionate and sometimes heart-rending story of suffering to the centrality of Christ within the Body of Christ.

John W. Kennedy is from Great Britain, but has lived in India since 1952 ministering among indigenous and apostolic Christian groups.
