When Hannah refuses to forgive a terrible sin she becomes *anathema*--shunned. But the real question is, can she forgive herself?

Visitors come to Parke County, Indiana to enjoy the lush farms, to buy the Amish quilts, and to experience the peaceful ways of the Amish families who live there. But when a double murder rocks this quiet community, the Amish residents resolve to forgive even this unfathomable offense.

Hannah, however, finds forgiveness out of reach--both for the murderer and for herself. She harbors a secret shame: while the crime was committed in her own home, she was out meeting with her forbidden love, her English beau, Reece.

The elders of the community insist that Hannah must forgive her family's killer or be shunned. When Hannah refuses, she runs away with Reece, leaving behind the only life she's ever known.

Years later, Hannah must journey back to the place she no longer calls home. Can she find the forgiveness and belonging she so desperately desires?
