**Arthur Murray's Popularity Book: Vintage Advice and Wisdom from The Greatest Generation** Arthur Murray

First published in 1944, The Popularity Book is a vintage guidebook full of wise and wonderful advice on living well, building poise and maintaining fulfilling relationships. Drawn from books, testimonials and magazines from the World War II era, this book shows the forthright common sense and romanticism of the “Greatest Generation”, a generation inspired by debonair role models such as Clark Gable, Cary Grant and Katharine Hepburn. As relevant today as it was in the 1940s, The Popularity Book offers counsel on being an unforgettably great date, devising a game-plan for making a man propose marriage, and pointers how to be charming. Compiled and originally published by Arthur Murray, who famously said he could teach anyone who could walk how to dance, it also features his iconic step-by-step footprint instructions on how to Samba, Fox Trot and Rumba divinely!
