Beerbox Haiku: A Thousand Feathers Collection Raven Mack

One thousand haiku written from the Workingman perspective along the back roads and dark alleys of American life. These short observational poems look behind the facade, struggling for what's real in our modern lives, not always finding enough of it, and self-medicating to try and make up for what's missing. It's all at once a meditation on existence but also just as easily bonus lyrics to Skynyrd's "Simple Man" in haiku form.
