Boomer's Bucket List

Sue Pethick

Boomer's Bucket List Sue Pethick

Author Sue Pethick presents a warm and fuzzy love story about a passionate pet owner, a smitten news man, and an unforgettable dog who steals everybody's hearts . . .

When her cuddly canine companion Boomer is diagnosed with a rare heart condition, Jennifer Westbrook decides to take a leave of absence from her busy PR job and take Boomer on the greatest road trip of his life. Charting a course from Chicago to California, Jennifer plans some pet-friendly pit stops for her four-legged friend, including a dog show, a fire hydrant museum, and a factory full of squeaky toys. But when she tries to sneak Boomer into a NASCAR press box disguised as her seeing-eye dog Jennifer's cover is blown by a curious, but very cute reporter named Nathan Koslow.

Boomer takes an instant shine to Nathan, unlike the other men in Jennifer's life. When the charming journalist asks to join them on their journey, she can't say no. But when she learns that someone has created a website called Boomer's Bucket List and it's gone totally viral the trip takes a wildly unexpected turn for Jennifer, Nathan, and the dog who brought them together.

It almost seems as if Boomer's last wish is that his two favorite humans fall madly, deeply, in love . . .

A Rave For Sue Pethick's Pet Friendly

Quirky and endearing . . . especially when factoring in the hilarious antics of a certain four-legged character. The brewing romance tempers the humor with heart. The plot . . . delights. This is a light, heartwarming read perfect for a wintry afternoon at home or a sunny beach vacation. *RT Book Reviews*, 4 Stars"

From reader reviews:

Mark McKinney:

Have you spare time to get a day? What do you do when you have considerably more or little spare time? Yes, you can choose the suitable activity intended for spend your time. Any person spent all their spare time to take a walk, shopping, or went to the actual Mall. How about open or read a book entitled Boomer's Bucket List? Maybe it is for being best activity for you. You know beside you can spend your time using your favorite's book, you can more intelligent than before. Do you agree with their opinion or you have different opinion?

Allen Schlemmer:

This Boomer's Bucket List is great reserve for you because the content that is certainly full of information for you who always deal with world and have to make decision every minute. This kind of book reveal it details accurately using great plan word or we can declare no rambling sentences in it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but tough core information with splendid delivering sentences. Having Boomer's Bucket List in your hand like obtaining the world in your arm, data in it is not ridiculous one particular. We can say that no guide that offer you world within ten or fifteen second right but this reserve already do that. So , this can be good reading book. Hello Mr. and Mrs. hectic do you still doubt that?

Bessie Starns:

In this period globalization it is important to someone to obtain information. The information will make a professional understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You can see that now, a lot of publisher in which print many kinds of book. The particular book that recommended to your account is Boomer's Bucket List this e-book consist a lot of the information in the condition of this world now. That book was represented so why is the world has grown up. The vocabulary styles that writer make usage of to explain it is easy to understand. The writer made some investigation when he makes this book. That is why this book suited all of you.

Jennifer Powell:

Is it you actually who having spare time subsequently spend it whole day by simply watching television programs or just lying down on the bed? Do you need something totally new? This Boomer's Bucket List can be the reply, oh how comes? A fresh book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these books have than the others?
