This thoroughly revised and enhanced edition of *Jesus Christ: God's Revelation to the World* introduces the story of salvation as it unfolds in both the Old Testament and New Testament. The text provides a thorough plan for reading and studying the Bible and gives students a general knowledge and appreciation of Sacred Scripture through which they encounter Jesus Christ.

Theologically rich and challenging, yet accessible to students of all catechetical backgrounds, *Jesus Christ: God's Revelation to the World (Second Edition)* offers an inspiring, new pedagogical presentation rooted in several opportunities for engaging, learning, mastering, and applying course content to promote lasting knowledge of the core elements required in Course I of the USCCB curriculum framework.

Jesus Christ: God's Revelation to the World supports Course I of the USCCB Curriculum Framework and is the part of the Encountering Jesus series. It is also suitable for schools teaching a one-semester Scripture course or an Introduction to the Catholic Faith course in both high schools and parish religious education programs.

Developed in collaboration with experts in theology, catechesis, and pedagogy, *Jesus Christ: God's Revelation to the World* includes a number of new features as part of an innovative design, including:

- **Chapter Focus Questions:** Each chapter's main idea is posed as a question to the student to provide a broader context in which new ideas can be integrated and understood.
- **Infographics:** A wide variety of visual and interactive designs throughout the text help students understand theological concepts in ways they will remember.
- **Currents Events:** Each chapter opens with a story from the contemporary world that teens can relate to their own lives.
- **Educational Photos:** Images throughout the text have been carefully chosen not only to illustrate the chapter but for teachers and students to use as educational tools.
- **Note-Taking Graphic Organizers:** Designed to help students organize, summarize, and sequence the text, various types of organizers were customized for every section of the book.
- **Section Assessments:** Each section includes pedagogically designed assessment questions with labels that show how the questions serve a variety of different learning styles.
- **Online Resources:** As always, teachers can access a wide variety of online resources at the Ave Maria Press website, including videos, PowerPoints, handouts, crossword puzzles, reading guides, and tests.
