Modern Management of Perinatal Psychiatric Disorders

Dr. Carol Henshaw, Prof John Cox, Dr. Joanne Barton

Modern Management of Perinatal Psychiatric Disorders Dr. Carol Henshaw, Prof John Cox, Dr. Joanne Barton

- An up-to-date overview of the diagnosis and management of mental disorders that occur during pregnancy and the postpartum period. The second edition has been updated to reflect current practice, recent evidence and new clinical guidelines. - Looks at both newly arisen conditions following childbirth and also women with pre-existing mental disorders which are of much greater risk to health (to mother and baby) during pregnancy and the postpartum period. - Examines prescribing and physical treatments during pregnancy and breast feeding, plus any impacts of these on the developing infant before and after birth. - There are also chapters on: classification; substance misuse; effects on children and families; screening and prevention; transcultural issues; and service provision.
