Ellen McCracken

Paratexts and Performance in the Novels of Junot Díaz and Sandra Cisneros (Literatures of the Americas) Ellen McCracken

Part of a new phase of post-1960s U.S. Latino literature, *The Brief Wondrous Life of Oscar Wao* by Junot Díaz and *Caramelo* by Sandra Cisneros both engage in unique networks of paratexts that center on the performance of latinidad. Here, Ellen McCracken re-envisions Gérard Genette's paratexts for the present day, arguing that the Internet increases the range, authorship, and reach of the paratextual portals and that they constitute a key element of the creative process of Latino literary production in 21st century America. This smart and useful book examines how both novelists interact with the interplay of populist and hegemonic multiculturalism and allows new points of entry into these novels.
