Renzo, Simone, Gianni and Federico Cipriano Each brother was thriving on their own working in what they were best in doing. But it's their mother's wish for her son's to find love and happiness like she had with their father, since they have not only been well known for their work ethics but also for their sexual conquest. Watch as the Cipriano brothers of Kellington try and find love in probably some of the most unlikely of places. Along the way, you'll meet some of the women who take their hearts as well as their minds on a whirlwind ride like no other. Renzo, the oldest Cipriano brother, lives a life that consists of working at his restaurants, dealing with customers as well as with a persistently aggravating ex-wife. He never had the chance to find the one thing that eluded him the most.....love. That was until he walked into her store that rainy afternoon..... Jaslyn Whitman, owner of Timeless Treasure Antiques, lives for a sale as well as making other people happy with the things she has in her shop. Being the 'new girl in town' she, of course, has been on the radar of some men. But she mainly tries to put work over dating men whose only intentions are to get her into bed. Who thought tall dark and handsome would walk through her door? Once these two meet, sparks immediately fly...for Renzo. Jaslyn however, isn't ready to deal with what would happen if she got involved with a Cipriano man. It's up to Renzo to show Jaslyn that there is more to him than just rumors and lies.
