The Patch Justina Chen Headley

The kids at school want to know why Becca is wearing glasses and a patch. Instead of telling them she has amblyopia, Becca leads her friends on imaginative adventures to explain her new fashion accessory. Mitch Vane's illustrations capture the spunky exuberance of this resourceful heroine.

From reader reviews:

Roxie Spencer:

Book is to be different for each and every grade. Book for children until eventually adult are different content. As it is known to us that book is very important for us. The book The Patch had been making you to know about other understanding and of course you can take more information. It doesn't matter what advantages for you. The publication The Patch is not only giving you more new information but also being your friend when you sense bored. You can spend your own personal spend time to read your reserve. Try to make relationship using the book The Patch. You never truly feel lose out for everything if you read some books.

Jason Nunez:

Nowadays reading books become more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The details you get based on what kind of publication you read, if you want send more knowledge just go with knowledge books but if you want experience happy read one having theme for entertaining like comic or novel. The actual The Patch is kind of book which is giving the reader unforeseen experience.

Donald Lombard:

The Patch can be one of your beginner books that are good idea. We recommend that straight away because this e-book has good vocabulary that can increase your knowledge in terminology, easy to understand, bit entertaining however delivering the information. The article writer giving his/her effort to set every word into pleasure arrangement in writing The Patch but doesn't forget the main position, giving the reader the hottest as well as based confirm resource information that maybe you can be one of it. This great information may draw you into brand new stage of crucial imagining.

Clarine Davidson:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book had been rare? Why so many issue for the book? But virtually any people feel that they enjoy intended for reading. Some people likes examining, not only science book and also novel and The Patch or maybe others sources were given understanding for you. After you know how the good a book, you feel need to read more and more. Science reserve was created for teacher or students especially. Those textbooks are helping them to add their knowledge. In some other case, beside science reserve, any other book likes The Patch to make your spare time more colorful. Many types of book like this one.
