The Truth Seeker's Guide to the Anunnaki: A Pocket Handbook for the Next Generation Joshua Free

The subject of the Anunnaki has become central to the work of a quickly growing modern revival begun by the Mardukite Chamberlains, an active research and experimental division of the Mardukite Ministries (Mardukite Research Organization). Unique to our work has been the re-evaluation of the most antiquated esoteric lore concerning these beings called the Anunnaki – and more importantly, the effect and implications this has had in the past, affecting the present and ultimately the fate of the future. The Mardukite Truth Seeker Press was founded in 2008 to corespond with the inception of the Mardukite Research Organization under the sponsorship of underground occult vanguard – Joshua Free – known as 'Merlyn Stone' in the 1990's. Thousands of copies of his books already have reached up from the underground concerning various topics such as the 'Celtic Druids', 'Ancient Aliens Theory', 'Ceremonial Magic', 'Occultism' and 'Post-Modern Transhuman Evolution' and, of course, the 'Sumerians', 'Babylonians' and 'Anunnaki' (to name a few). Since 2008, over 50 editions have appeared of the core 'Mardukite Core' spanning approximately a dozen different discourses, called libros (or liber, singular) specific to the Sumerian/Babylonian (Mesopotamian) Anunnaki research conducted by the 'Mardukites' from 2008 until 2012. In 2011, a post-modern division of the organization was formed: 'Systemology', which focuses on the 'next generation' evolutionary movements. Joshua Free was first known as 'Merlyn Stone' prior to the public founding of the 'Mardukites'. During this time, his popularity was earned not from work on the 'Necronomicon' or 'Babylonian' systems, but general 'ritual' and 'ceremonial' magic. Of the popularly revived systems in the 'New Age movement', his exponent background is in Druidism and Celtic Wicca. He is extensively published on all these topics. Drawing from the author's extensive works in addition to updated commentary and notes, we are pleased to provide a concise pocket handbook series with the next evolution of Truth Seekers in mind – that means YOU!
