Since 1846, the Vlisco company, located in Helmond, has supplied the Western and Central African market with Dutch Wax fabrics. This book is an homage to the fabrics fascinating history more than a hundred years old, born in Indonesia, designed in the Netherlands, loved in Africa and coveted in the West. Full of layered meaning, the fabrics find their way to Parisian fashion shows, markets in Ghana and galleries in London and New York. More than 200 examples of fabrics from the Vlisco archives literally fill the pages of this colourful book, which presents a brief overview of each individual design.

From reader reviews:

Holly Taylor:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each book has different aim or maybe goal; it means that e-book has different type. Some people really feel enjoy to spend their time and energy to read a book. They are really reading whatever they get because their hobby is reading a book. How about the person who don't like reading a book? Sometime, particular person feel need book after they found difficult problem or exercise. Well, probably you will want this Vlisco Fabrics.

Benjamin Aldridge:

The book Vlisco Fabrics can give more knowledge and information about everything you want. Why must we leave the best thing like a book Vlisco Fabrics? Some of you have a different opinion about guide. But one aim in which book can give many facts for us. It is absolutely proper. Right now, try to closer along with your book. Knowledge or information that you take for that, you may give for each other; you could share all of these. Book Vlisco Fabrics has simple shape but you know: it has great and large function for you. You can look the enormous world by available and read a guide. So it is very wonderful.

Robert Beck:

Information is provisions for folks to get better life, information currently can get by anyone in everywhere. The information can be a understanding or any news even an issue. What people must be consider when those information which is inside the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one often the resource are convinced. If you obtain the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Vlisco Fabrics as the daily resource information.

Joshua White:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Vlisco Fabrics can make you sense more interested to read.
