Cat Haiku

Cat Haiku Deborah Coates

The cat has been with us since time began. Enigmatic, independent, surprising, single-minded, loving - cats too can be a man's best friend. The haiku is an ancient and honourable Japanese verse form - three lines, seventeen syllables - encapsulating a vision of the poem's subject; a person, place, even a cat...CAT HAIKU presents cats as you've never seen them before. In a series of brilliant vignettes, Deborah Coates gets inside the minds of our cats and comes up with some surprising revelations. You will never look at your (or anyone else's) cat the same way again.
