Desolation Island (Aubrey-Maturin series, Book 5) Patrick O'Brian

[Read by Simon Vance]

Desolation Island is Patrick O'Brian's fifth 'Aubrey-Maturin' novel and it marks a turning point in this highly entertaining historical adventure series. Whereas the previous four novels could be read as stand-alones, only loosely connected in regard to plot, *Desolation Island* begins a story arc that continues on through the series.

Captain Jack Aubrey has been getting into trouble during his time ashore, his trusting nature causing him problems in both business and cards. His friend, surgeon Stephen Maturin, is having a little trouble of his own. Commissioned to rescue Governor Bligh of *Bounty* fame, Captain Aubrey Maturin sails the *Leopard* to Australia with a hold full of convicts. Among them is a beautiful and dangerous spy - and a treacherous disease that decimates the crew. With a Dutch man-of-war to windward, the undermanned, outgunned *Leopard* sails for her life into the freezing waters of the Antarctic, where, in mountainous seas, the Dutchman closes in.
