Hot As Hell: Forced and bred by a Demon R C Winternight

Alicia is a hard working, well-groomed office lady whom you probably would not notice if you were to cross her path in the street. Her life has become a dull monotony, and no 'nice guy' could thaw the ice building up between her legs.

She longs for the best of both worlds: a stable life of luxury and a rich and exciting sexual life. Several times broken hearted, unable to find a stable partner, she starts to accept her unwanted celibate.

But one day, her wish is heard, and she finally has a chance to make it come true. However, she would have never expected to be used and abused by unearthly forces in order to make it happen. This dramatic experience leads to a radical change of her daily routine, and she suddenly becomes hot as hell!

Warning: This 10,000+ word demon sex story is pure fantasy erotica (with steamy hot sex scenes), and is exclusively for adults! It contains a sex, monstrous cock, pussy-licking, m/f sex, demon/f sex, dubious consent, curse and black magic, and lots of cum.

Excerpt:

The man smiled and slipped his hand on Alice's thigh. She tried her best to hide her goose bumps as he stroked her gently, tickling her. His hands were warm, soft and smooth. His touch was electric and the sensations traveled from her thigh to her groin. She felt herself getting wet and was a little conscious that her musk might give away her true intentions, but she maintained her composure.

"Ah, but I'm not here to offer you drinks. I'm here to offer you your desires."

Alice laughed.

"Poetic. Look, honey, I am feeling a little adventurous, but I ain't paying for sex so, if you'll excuse me-

Initially, Alice thought she had angered the man by her bluntness as he grabbed her by her wrists and pulled her closer to him.

"What the fuck!! Let go of me..."

"You want him, don't you?" the man whispered in her ear. She could feel the warmth of his breath. There was something about his voice that was devilishly seductive, but his perfection was broken by the faint smell of sulfur. "Wouldn't you like to know how it feels to be the object of Mr Morris's desires? What would you give to feel his touch, his kiss... his body on top of yours?"

Alice eyes narrowed as she looked at the man, bewildered and confused.

"Who the hell are you?"

The man laughed.
