Dating isn't easy these days. Just ask hapless singletons Jamie Newman and Laura McIntyre, two thirtyish Brits who are trying to remain positive in the face of all of the awkwardness, chaos, and humiliation that pave the road to finding love. Jamie, who's still licking his wounds after his fiancée abandoned him, will try just about anything to find the girl of his dreams: from disastrous blind dates to the world's worst speed-dating event. Laura, who is getting a little nervous with the big 3-0 looming, tries to put her awful-but-sexy ex in her rear view and move on, even if it means blind dates with spandex-clad bikers and drunken first-date hand jobs. When Jamie and Laura finally meet each other, love starts to blossom—but throw in some bad fajitas, obnoxious parents, and exes coming out of the woodwork, and things get complicated fast. A hilarious, relatable romp through the travails of modern love, this book will make you laugh until you cry.
