Oops! Alan Katz

Find your funny bone and grab your giggles!

You're about to embark on an adventure through the hilarious landscape created by ALAN KATZ and EDWARD KOREN.

From the kingdom of His Royal Sloppiness (also known as the prince of fingerprints) to the trouble-ridden Pencil-vania, this is a world of hallway hijinks, show-and-smell, clean-freak parents, dentist dilemmas, bothersome brothers, and sinister sisters. If you are a kid, or you know a kid, or if you ever were a kid, this is a poetry collection to cherish (but wipe your hands first!).

From reader reviews:

Shannon Blackshear:

What do you in relation to book? It is not important with you? Or just adding material when you want something to explain what the ones you have problem? How about your spare time? Or are you busy man? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Every individual has many questions above. They need to answer that question because just their can do which. It said that about book. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need that Oops! to read.

Jose Banks:

Reading can called thoughts hangout, why? Because while you are reading a book especially book entitled Oops! your mind will drift away trough every dimension, wandering in every single aspect that maybe not known for but surely will end up your mind friends. Imaging each word written in a book then become one form conclusion and explanation which maybe you never get just before. The Oops! giving you one more experience more than blown away your thoughts but also giving you useful facts for your better life in this era. So now let us present to you the relaxing pattern the following is your body and mind will probably be pleased when you are finished looking at it, like winning a. Do you want to try this extraordinary paying spare time activity?

Roger Thomas:

In this time globalization it is important to someone to find information. The information will make anyone to understand the condition of the world. The fitness of the world makes the information quicker to share. You can find a lot of recommendations to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher this print many kinds of book. The book that recommended to your account is Oops! this guide consist a lot of the information from the condition of this world now. This book was represented so why is the world has grown up. The words styles that writer use for explain it is easy to understand. The writer made some investigation when he makes this book. Here is why this book suitable all of you.

Alice Scales:

Reading a reserve make you to get more knowledge as a result. You can take knowledge and information from the book. Book is published or printed or descriptive from each source this filled update of news. In this particular modern era like currently, many ways to get information are available for you actually. From media social including newspaper, magazines, science book, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just trying to find the Oops! when you desired it?
