Reclaiming Our Priestly Character - Revised Edition Fr. David L. Toups, STD

In a day and age in which permanent commitments are devalued by our society and in a particular way the priesthood is under attack for the sins of a small percentage, it is of utmost importance to re-emphasize both the permanence and the dignity of the calling to the ministerial priesthood. Reclaiming Our Priestly Character offers a review of the present crisis surrounding priestly identity through careful theological scholarship and a wise and practical spirituality, providing a clear path toward the renewal of the priestly character. An essential guide for every priest and seminarian.
