The Inflection Point: Where Trading Meets Investing David W. Koper

'Where Trading Meets Investing' is a beginner book for traders and investors. The company takes an outside approach to delve into how to profit from online stock trading and where to start. The book is filled with stock market data, philosophical strategies, eye-opening figures, chart technical's and much more. The company points out its list of 30 publically traded stocks that have returned over 130% in the last year (July 2014 to July 2015). The Inflection Point Inc. has a diverse team in place all sharing a very unique vision. Their mission is to empower their followers with stock market knowledge so you may outperform the markets regardless of the market direction. The company humbly and sincerely believes in you. Email CEO@theinflectionpt.com for more information or visit www.theinflectionpt.com to view observations of the most positive performing outliers of the last trading year. If you believe the company has one million in value, your experience will be that much more thought provoking.
