This fully-updated and complete explanation provides practitioners with a practical, commercially-based, and definitive guide to the English law of ship mortgages as well as important related areas such as conflict of laws and insolvency.

The authors, being seasoned practitioners themselves, bring their practical experience to bear on a number of difficult and developing areas of the law, such as: mortgagees' duties, liability to charterers, conflicts of laws, work-outs and cross border insolvency.

New to this edition:

- In-depth analysis of noteworthy cases such as *The WD Fairway* litigation, *PK Airfinance v Alpstream*, and *Tropical Reefer and Anton Durbeck v DNB*
- Enhanced coverage of issues such as security interests in ships, priority, and third party involvement
- Completely revised and reordered content, to better reflect practitioner needs

Written with practitioners in mind, this new edition will be extremely useful to legal professionals working in any jurisdiction that is involved in international ship finance, as well as post-graduate students and academics.
