The Rough Guide to Shakespeare: the plays, the poems, the life, with reviews of productions, CDs and movies Andrew Dickson

The Rough Guide to Shakespeare provides the perfect introduction across all media from the Elizabethan theatre to the modern multiplex. Designed to work equally well as a quick reference and a background companion, the book features full coverage of all 38 plays including a synopsis, character list, stage history and a full critical essay. There are guides to recommended texts, critical studies and further reading, reviews of the best films and audio recordings, and guidance on where to go next. The author provides fascinating features on such topics as swearing in Shakespeare, fools, cross-dressing and the mystery of Shakespeare's lost plays. As well as the plays there's a detailed look at Shakespeare's poetry, both the famous Sonnets and the less well-known narrative poems. Finally, this handbook includes everything there is to know about Shakespeare's life, along with a full account of how the plays were originally performed. Throughout there are more than 100 pictures, including photos of great Shakespearean actors and some of the most celebrated recent productions.

From reader reviews:

Latasha Hisle:

Information is provisions for those to get better life, information nowadays can get by anyone on everywhere. The information can be a knowledge or any news even a concern. What people must be consider whenever those information which is inside former life are hard to be find than now is taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you receive the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take The Rough Guide to Shakespeare: the plays, the poems, the life, with reviews of productions, CDs and movies as your daily resource information.

Katherine Ouellette:

Spent a free the perfect time to be fun activity to try and do! A lot of people spent their spare time with their family, or their friends. Usually they undertaking activity like watching television, about to beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Will you something different to fill your own personal free time/ holiday? Can be reading a book could be option to fill your free time/ holiday. The first thing that you ask may be what kinds of guide that you should read. If you want to test look for book, may be the publication untitled The Rough Guide to Shakespeare: the plays, the poems, the life, with reviews of productions, CDs and movies can be fine book to read. May be it might be best activity to you.

John Malcolm:

It is possible to spend your free time to see this book this reserve. This The Rough Guide to Shakespeare: the plays, the poems, the life, with reviews of productions, CDs and movies is simple to develop you can read it in the park your car, in the beach, train along with soon. If you did not have much space to bring typically the printed book, you can buy often the e-book. It is make you quicker to read it. You can save the actual book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

Bryan Jones:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's internal or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Rough Guide to Shakespeare: the plays, the poems, the life, with reviews of productions, CDs and movies can make you sense more interested to read.
