G. I. Gurdjieff

Beelzebub's Tales to His Grandson: All and Everything, First Series G. I. Gurdjieff

With **Beelzebub's Tales to His Grandson**, **G. I. Gurdjieff** intended to "destroy, mercilessly . . . the beliefs and views about everything existing in the world." This novel beautifully brings to life the visions of humanity for which Gurdjieff has become esteemed. Beelzebub, a man of worldly (and other-worldly) wisdom, shares with his grandson the anecdotes, personal philosophies, and lessons learned from his own life. The reader is given a detailed discussion of all matters physical, natural, and spiritual, from the creation of the cosmos to man's teleological purpose in the universe. This edition of **Beelzebub's Tales to His Grandson**--the first single-volume paperback to appear in English--restores the original, authoritative translation.
