**Books Have Their Fates** Leona G. Rostenberg, Madeleine B. Stern

Two of New York's most legendary antiquarian dealers have put pen to paper again and traced the fates of 30 unique books. Both authors scanned the sixteenth through the twentieth centuries looking for books with interesting narratives. Each book selected has its own dramatic experience, origin and destiny.

This collection of essays brings to life a cast of characters such as Shakespeare, Descartes, Shelly, Poe, George Eliot, and many others.
