Exploring Desire and Intimacy: A Workbook for Creative Clinicians Gina Ogden

This integrative book is like having a wise supervisor in the room with you. Stop "fixing" your clients--engage them in their own healing through the Four-Dimensional Wheel of Sexual Experience. Gina Ogden guides you in helping your clients explore the full range of their sexual issues and challenges—including couple communication, erectile dysfunction, vaginismus, low desire, affairs, trauma, religious proscriptions, pornography use, and more. Part I offers strategies that correspond to the core knowledge areas required for certification as a sexuality professional, while Part II puts these innovative approaches into action through following five case examples from seasoned practitioners. The numerous user-friendly elements, such as quizzes, worksheets, and "hot tips," will help you see the larger picture of an issue, become fluent with a diversity of sexual identities and behaviors, and expand your ability to offer safe, ethical, evidence-based therapy.
