Romancing the Buddha: Embracing Buddhism in My Everyday Life Michael Lisagor

A published version of Lisagor's popular www.romancingthebuddha.com web site, this is an adventure-comedy story about Lisagor's hunt for lost treasure in the jungles of urban America and the depths of his life. Like the poor man in the Buddhist parable who wandered for years before discovering a priceless jewel a wealthy friend had sewn into the hem of his robe, Lisagor was unaware of his own Buddha or enlightened nature. Lisagor shares his experiences applying the principles of Nichiren Buddhism to successfully deal with the difficulties of daily life, including depression, spousal illness, the challenges of raising two daughters, and the quest for happiness. An overview of Nichiren Buddhism and a glossary of Buddhist terms are provided. This is an inspirational read for Buddhists and non-Buddhists alike.
