The Pill Box: One Man's Hopeful Struggle to Overcome Manic Depression Bruce R. Patzer

In trying to make sense of his twenty-year experience with manic depression, the author tells a powerful story of pain, loss, determination, healing and family love.

For the more than 17,000,000 individuals in the U.S. who suffer from depression—and the loved ones who support them—this book offers insights, truth and a patient's hard-won wisdom about how to survive and thrive, even when the adversary attacks from within.

Bruce also pulls together a valuable appendix of resources that may be helpful to other individuals and families struggling with the very real challenges of bipolar disorder.

The Pill Box is a memorable story about overcoming adversity with hefty doses of love, family support and personal courage.
