Watchman's Guide to End Time Repentance: Large Print Edition Richard H. Perry

Scripture consistently communicates what Yehovah requires of His people for them to inherit the coming Kingdom of God. Yehovah, the God of the Bible, is the best communicator to His people, no one is better. His word is straight forward and clear. All Scripture is true and Yehovah says what He means. He also states that He has not written us anything that we cannot read and understand. This includes what Yehovah expects of His people in the "Time of the End," when He is preparing to return and establish His kingdom on earth. In addition to His requirement of repentance there are specific things we must do in the "Time of the End." Now is the time to turn away from the teachings and traditions of Man and turn in obedience to Yehovah and His commands.
