Wicked Truths: Book 3 of the Wicked Cries Series (Volume 3) Michelle Areaux

Death seems to follow seventeen year old Sadie Sanders everywhere she goes—literally. As a mediator to the dead, she must constantly face fighting demons and the occasional angry dead girl. After a dangerous and almost deadly first year in Salem, Sadie's parents decided to send her away for the summer to visit her Aunt Morgan in the small town of Nicholasville, Kentucky. After uncovering a murder hidden for centuries, she embarked on a deadly mission to solve the crime while trying to enjoy her summer vacation. Now back in Salem, Sadie has found another hidden secret in the wicked town. Secret underground tunnels are hidden under the streets of Salem, beckoning to those with wicked souls. When Sadie encounters a ghost named Laura roaming the streets of Salem, she and her friends Noah and Lucy must uncover the clues leading to Laura's death, which is made even more complicated by the fact that Laura has no memory about her life or death. To make matters worse, Sadie must also track down the person who has been sending her threatening messages in an effort to stop her mission for justice. In Wicked Truths, the third instalment of the Wicked Cries series, Sadie learns that some secrets are meant to stay dead, for the truth, once it has been uncovered, may be wickeder than she could have ever imagined.
