Eric Sprinkle

Impenetrable Green Unfathomable Blue: A Snapshot Journal Journey Eric Sprinkle

Impenetrable Green Unfathomable Blue: A Snapshot Journal Journey is about the earth and sky, the seasons of life and death, and the nature or our spirit. It is 'snapshots' of a journal and of nature. If nothing else it is a purdy picture book that your purely visual sensibilities might take a shine to, if not, it's great for regifting.
