## **Malice in Wonderland: What Every Law Student Should Have for the Trip** Thaddeus Hatter

Many law school books suffer from the same tired formula: long, complicated, and boring. Reading these books is a chore.

Malice in Wonderland is an honest guide to law school. Now the reader is a journey into law school (i.e., Wonderland) by a tour guide, Uncle Malice. Drawing upon his own mistakes and shenanigans, Malice enlightens. But he's not your grandfather's narrator: he is brash, colorful, and honest.

Malice in Wonderland tackles the important elements of first year, including outlining, homework, finals, class, and grades. Malice zeroes in on each, without getting bogged down. Never one to be pedantic or uptight, Malice keeps the reader engaged with faux cases names (Kardashian v. Dignity), new terminology, and fun stories. Malice explains why screw-ups in class discussions are like bad Oscar speeches, why gunners never have weekend plans, and how to launch a preemptive strike against a professor. Malice will educate and entertain rising 1Ls in a way that other law school titles cannot.
