Progay/Antigay: The Rhetorical War Over Sexuality (Rhetoric and Society) Ralph R. Smith, Russel R. Windes

Issues such as lesbians and gay men serving openly in the military, same-sex marriage and the inclusion of sexual orientation in anti-discrimination and hate crime laws have evolved along with the rival progay and antigay communities. As a result of public policy debates, the U. S. progay movement has moved toward an essentialist, non-sexual identity while traditionalists have shifted toward a secular public self-representation. This book analyzes the internal disagreements within the two movements.
