Xanthippe Dreamt of Islands: A book to color (or not) Mr. David Laughlin

An assortment of free range pen and ink drawings to color (or not) collected over the years, with nothing more in mind than to see what they would be. This collection of fantasy, for lack of a better term, have colorfully and successfully displayed in art shows and galleries, and I thought . . . Why not strip this work down to the original black-and-white format, and present them for you to play with, too? Why not, indeed? Let your imagination loose, add your own color, create your own stories. Take it from here. I hope that you enjoy my creations. Whatever they will be for you.
