Emerge yourself in the world of Grayscale Coloring ... Grayscale coloring is fast becoming the favorite way to color. With true to life images, high-or-lowlighted in all the shaded or non-shaded areas, and no restraining outlines, grayscale coloring allows the colorists of today to produce realistic, beautiful pieces of artwork ready for display. All of the designs in this book have been specially selected with grayscale colorists in mind, no matter their ability. To create true-life masterpieces, it's recommended to use colors that match the shaded areas in depth—dark colors for the darker tones, lighter colors for the lighter tones, and medium shades for the tones in between. Beautiful Flowers: Grayscale Coloring Book & Journal contains a coloring page and journal page for every week of the year, allowing you to document your thoughts while fulfilling your creative needs – the perfect combination. Give it a try: Set their petals aglow, animate their foliage, and bring these beautiful flowers to life.

#### **Victor Elias:**

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their interest. They just do what the instructor want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Beautiful Flowers: Grayscale Coloring Book & Journal can make you really feel more interested to read.
