Hair Braiding, Weaving and Styling: Rose Marie's Braid Book Rosemary Efundem Abange

It is almost time for one of my clients to hit the runway. So we go through some options, what style is best relative to the theme of the show. Moreover, what would last long and be easily maintained under the circumstances. Style is done, instructions given on what to do in any eventuality. Photo shoot okay. It could be someone looking for a change or have a wedding coming up. Whatever the purpose, there is something here to help everyone through the hassles that occur after the work is done that helps save time and money especially.
