Understanding Psychology Robert S. Feldman

Bob Feldman's "Understanding Psychology" guides students through Introductory Psychology concepts in an accessible manner, bringing comprehension of difficult material into the grasp of all students - because when students understand psychology, they learn psychology. The thoroughly revised Ninth Edition integrates a variety of elements that foster students' understanding of psychology and its impact on their everyday lives, including a new Neuroscience In Your Life feature, alerts to key topics, and study skills for specific concepts. This text also provides instructors with a fully integrated supplements package to objectively gauge their students' mastery of psychology's key principles and concepts and to create dynamic lectures.
