**Cambridge Grammar of English: A Comprehensive Guide** Ronald Carter, Michael McCarthy

A major reference grammar offering comprehensive coverage of spoken and written English based on real everyday usage. The Cambridge Grammar of English is a major reference grammar from the world's leading grammar publisher. Using ground breaking language research, it offers clear explanations of spoken and written English based on real everyday usage. A clear two-part structure makes the book particularly user-friendly. In the first section, A-Z entries give more attention to lexico-grammar and other language areas that tend to be neglected in grammar references. The second section covers traditional grammatical categories such as tense, clause structure and parts of speech.
