*Chronology of World Slavery* combines multiple chronologies, sidebars on specialized topics, primary source documents, and gripping illustrations into a compelling portrayal of slavery from the dawn of civilization to the present. Organized by geographic region and time period, this work enables readers to gain a quick understanding of how long slavery has been part of human life and where it has occurred.

*Chronology of World Slavery* is the ideal companion to *The Historical Encyclopedia of World Slavery* (ABC-CLIO, 1997). Together, these works span all world cultures and time periods to examine humankind's most perplexing and persistent historical issue.
