Gnostic Christianity: Reviving an Ancient Christianity

Jay N. Forrest

Gnostic Christianity: Reviving an Ancient Christianity Jay N. Forrest

"A must read for anyone interested in Gnosticism." Gnosticism was an early form of Christianity, possibly the earliest. In this book, Jay N. Forrest attempts to explore and explain how Gnostic Christianity can be rediscovered and lived today. Dr. Forrest was a Pentecostal Evangelical minister for over two decades before researching the Gnostic roots of Christianity. This book explores Gnostic Christianity from its origins, its founders, its foundations, its history, its teachings, and its five sacraments. These are outlines and notes that Dr. Jay N. Forrest used to create the Gnostic Podcast. He began the Gnostic Podcast on January 17, 2010, as a weekly podcast for the purpose of proclaiming and explaining a modern Gnostic Christianity that is true to Scripture, true to experience, true to reason, and true to science. Jay's teaching was based upon the Gnostic Christian Scriptures and ancient Gnostic Christian teaching, Gnostic mystical experience, modern science, and reason. The four great teachers of Gnostic Christianity were Thomas, Paul, John, and Valentinus. Gnostic Christianity is centered in the gospel of Jesus Christ as proclaimed primarily by these four great Gnostics.

From reader reviews:

Patrick Cartwright:

Reading a guide can be one of a lot of exercise that everyone in the world loves. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a reserve will give you a lot of new details. When you read a e-book you will get new information mainly because book is one of several ways to share the information or perhaps their idea. Second, examining a book will make you more imaginative. When you reading a book especially fiction book the author will bring that you imagine the story how the characters do it anything. Third, you could share your knowledge to some others. When you read this Gnostic Christianity: Reviving an Ancient Christianity, it is possible to tells your family, friends as well as soon about yours book. Your knowledge can inspire the mediocre, make them reading a publication.

Lisa Madruga:

Reading a book tends to be new life style with this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Having book everyone in this world can share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their own reader with their story as well as their experience. Not only the storyline that share in the textbooks. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some study before they write for their book. One of them is this Gnostic Christianity: Reviving an Ancient Christianity.

Irene Gamino:

The reason why? Because this Gnostic Christianity: Reviving an Ancient Christianity is an unordinary book that the inside of the guide waiting for you to snap that but latter it will jolt you with the secret that inside. Reading this book alongside it was fantastic author who also write the book in such incredible way makes the content on the inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of benefits than the other book have such as help improving your proficiency and your critical thinking way. So , still want to hold up having that book? If I were being you I will go to the publication store hurriedly.

Kenneth Copeland:

Reading a book to become new life style in this season; every people loves to examine a book. When you study a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your research, you can read education books, but if you want to entertain yourself you are able to a fiction books, this kind of us novel,

comics, as well as soon. The Gnostic Christianity: Reviving an Ancient Christianity will give you new experience in reading a book.
