No Ordinary Fairy Tale

Forget everything you think you know about faeries. . . . Creatures full of magic and whimsy? Not in the Oakenwyld. Not anymore.

Long ago the faeries of the great Oak mysteriously lost their magic. Robbed of their powers, they have become selfish and dull-witted. Now their numbers are dwindling and their very survival is at stake.

Only one young faery-Knife-is determined to find out where her people's magic has gone and try to get it back. Unlike her sisters, Knife is fierce and independent. She's not afraid of anything-not the vicious crows, the strict Faery Queen, or the fascinating humans living nearby. But when Knife disobeys the Faery Queen and befriends a human named Paul, her quest becomes more dangerous than she ever anticipated...

Knife is a gripping tale of lost magic, high adventure, and surprising friendship in which the fate of an entire realm rests on the shoulders of one brave faery rebel. Book One of the No Ordinary Fairy Tale series.

Previously published in the US under the title Faery Rebels: Spell Hunter.

Scott Settle:

As we know that book is essential thing to add our knowledge for everything. By a reserve we can know everything we really wish for. A book is a group of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This e-book Knife (No Ordinary Fairy Tale, Book 1) was filled regarding science. Spend your spare time to add your knowledge about your scientific research competence. Some people has several feel when they reading any book. If you know how big advantage of a book, you can experience enjoy to read a publication. In the modern era like currently, many ways to get book that you just wanted.

Julie Gibson:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Knife (No Ordinary Fairy Tale, Book 1) can make you experience more interested to read.
