Socotra: A Natural History of the Islands and Their People Catherine Cheung, Lyndon DeVantier, Kay Van Damme

This richly illustrated book provides the first comprehensive review of the natural history of these islands. The islands became a UNESCO Man and Biosphere Reserve in 2003 and have been nominated as a World Heritage site. While documenting Socotra's geology, biodiversity, ecology, human history and culture, the book also highlights aspects of the islands' biogeography, evolution, and conservation. Thoroughly researched, with contributions from numerous international and local specialists, the book is packed with up-to-date scientific, historic and cultural information. 300 color photos, 10 maps.
