The River Goddess and Other Stories Valentine McKay-Riddell

This collection follows a young girl as she comes into her power with the aid of a mysterious River Goddess, a number of helpful animals and non-human others, and a very old friend. Alyssa faces many dangers and overcomes numerous challenges along the way. As she learns how to tap into the magic of everyday life, she gradually develops a deep respect for both human and non-human guides and for herself. This is the "hero's journey" from a feminine point of view--a journey upon which we are all embarked, male and female alike, as we rediscover our true role: that of fellow travelers with all the beings who share space on the small blue planet we call Earth.
