Our writers tell you what's wonderful about each spot they cover (kiva fireplaces and four-poster beds, hot tubs and antique armoires, gourmet breakfasts and lavish teas, and more). They also point out the quirks. They counsel you on which rooms to reserve -- and which to avoid. Every review includes information about the innkeepers, location, ambience, decor, restrictions, rates, amenities, baths (private or shared), and recreational facilities.

Facilities charts, maps, illustrations, and more. Comprehensive charts compare B&B facilities, to make it easy for you to find the one that suits you best. There are also state maps, illustrations of top B&Bs, and listings of the best B&B reservation services
